

What makes the new E-Class Special Edition sedans so special? It's simple:

an extensive array of features at an exceptional value.

Striking 6-hole alloy wheels and brushed stainless steel

door-sill trim highlight the timeless style of the E-Class. Metallic paint is

standard, and available in five colors, including a

deep Sapphire Black unique to the Special Edition

models. A 2-position memory feature adjusts both the 10-way power driver's

seat and the electrically telescoping steering column. For convenience and

security, an integrated cellular phone

system offers hands-free operation,¹ as well

as automatic muting of the 10-speaker High Performance sound system.

The trunk-mounted 6-disc CD changer works discreetly through the in-dash

AM/FM stereo/cassette radio controls, while the

telephone handset mounts inside the center arm-

rest, securely out of view. Handcrafted burl walnut trim

graces the interior of every E-Class Special Edition sedan.

¹ For safety reasons, the driver should not use the cellular telephone while the vehicle is in motion. We encourage the driver to stop the vehicle in a safe location before answering or placing a call.

The Mercedes-Benz E-Class sedans achieve a precise balance of performance characteristics few cars can

equal. Their engines, for example, utilize multivalve technology to deliver

both responsive power and responsible efficiency. The 5-arm multilink

rear suspension combines ride comfort and handling

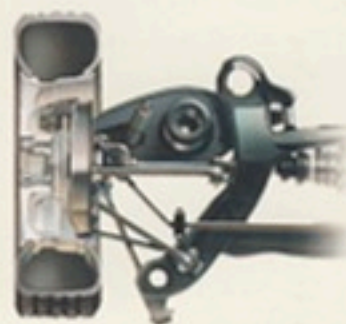

control so ingeniously that it's patented. And every

innovation is underscored by the demanding standards of Mercedes-Benz

reliability, durability and quality. Of course, Mercedes engineers reserve

their highest priority for safety, whether occupant protection or driver

control. From the body structure that established an industry standard,

to the dual air bag Supplemental

Restraint System;² to the ingenious

single wiper that reaches into the

corners to clear 86 percent of the windshield, the E-Class stands as a

benchmark. The exceptional value of the E-Class Special Edition sedans

fulfills one more priority: making a wise decision even more rewarding.

SPECIFICATIONS

E 300 DIESEL

Engine: DOHC 24-valve in-line 6-cylinder diesel. Tuned-resonance intake manifold. Mechanical fuel injection. Compression ignition.

Displacement: 182.2 cu in/2,996 cc

Net power: 134 hp @ 5,000 rpm

Net torque: 155 lb-ft @ 2,600 rpm

Compression ratio: 22.0:1

Acceleration:¹ 0-60 mph in 12.6 seconds
0-100 km/h in 13.4 seconds

Transmission: 4-speed automatic

Traction control: Optional Automatic Locking Differential (ASD, see Package E1)

Rear axle ratio: 2.87:1

E 320

Engine: DOHC 24-valve in-line 6-cylinder. Tuned-resonance intake manifold. Variable intake-valve timing. HFM sequential multiport fuel injection and ignition with antiknock feature. Control Area Network (CAN) data management system.

Displacement: 195.2 cu in/3,199 cc

Net power: 217 hp @ 5,500 rpm

Net torque: 229 lb-ft @ 3,750 rpm

Compression ratio: 10.0:1

Acceleration:¹ 0-60 mph in 8.0 seconds
0-100 km/h in 8.4 seconds

Transmission: 4-speed automatic

Traction control: Optional Automatic Slip Control (ASR, see Package E1)

Rear axle ratio: 2.65:1

E 420

Engine: DOHC 32-valve V-8. Aluminum-alloy block and head. Variable intake-valve timing. LH sequential multiport fuel injection. Electronic ignition. Antiknock control. Control Area Network (CAN) data management system.

Displacement: 256.1 cu in/4,196 cc

Net power: 275 hp @ 5,700 rpm

Net torque: 295 lb-ft @ 3,900 rpm

Compression ratio: 11.0:1

Acceleration:¹ 0-60 mph in 7.1 seconds
0-100 km/h in 7.4 seconds

Transmission: 4-speed automatic

Traction control: Optional Automatic Slip Control (ASR, see Package E1)

Rear axle ratio: 2.24:1

¹ Stated rates of acceleration are based upon manufacturer's track results and may vary depending upon model, environmental and road surface conditions, driving style, altitude above sea level and vehicle load.

E-CLASS SPECIAL EDITION FEATURES

STEERING AND SUSPENSION

Steering: Power-assisted recirculating-ball with hydraulic damper.

Front suspension: Independent gas-pressurized damper struts with separate coil springs, triangular lower control arms, antidive geometry, antiroll bar.

Rear suspension: Independent-multilink with geometry for antilift, antisquat and alignment control, coil springs, antiroll bar, single-tube gas-pressurized shock absorbers.

BRAKES, WHEELS AND TIRES

Brakes: 2-circuit power-assisted 4-wheel disc brakes. Antilock Braking System (ABS). Foot-operated parking brake.

Wheels: 6.5J x 15" aluminum-alloy

Tires: 195/65R15 91H steel-belted radial

EXTERIOR FEATURES

Visibility: Eccentric-sweep windshield wiper with heated washer system. Electrically heated rear window. Halogen headlamps and front foglamps. Heated headlamp washing system with wipers (E 420). Rear foglamp. Dual heated electrically operated outside mirrors.

Amenities: Sliding electric sunroof with rear pop-up feature. Central locking of doors, trunk and fuel filler. Key-operated window and sunroof closing capability. Antitheft alarm system with starter interlock. Metallic paint. Exclusive 6-hole alloy wheels.

INTERIOR FEATURES

Seating and trim: 10-way electrically adjustable front seats. Remote-retractable dual rear head restraints. Leather upholstery (E 320 and E 420). M-B Tex upholstery (E 300 Diesel). Leather-trimmed steering wheel and gearshift. Burl walnut trim.

Comfort and convenience: Electrically adjustable telescopic steering column. 2-position memory for driver's seat and steering column. Automatic climate control. Power windows with front express down. Cruise control. Delayed shutoff front courtesy light. Rear courtesy light. Entrance lamps. Front reading lamp. Illuminated visor vanity mirrors. Lockable roll-top front storage compartment. Front center armrest (contains telephone handset). Rear center armrest. Front door storage pockets.

SAFETY SYSTEMS

Supplemental Restraint System (SRS) with an air bag, knee bolster and Emergency Tensioning Retractor (ETR) for both driver and front passenger. 3-point outboard seat belts. Height-adjustable front shoulder belts. Automatically height-adjusting rear shoulder belts.

INSTRUMENTATION

Analog speedometer and tachometer. Fuel, coolant temperature and oil pressure gauges. Resettable trip meter. Analog quartz chronometer. Digital outside temperature indicator.

SOUND SYSTEM AND TELEPHONE

High Performance sound system with 10 speakers. Antitheft-coded AM/FM stereo/weatherband radio and autoreverse cassette player. Integrated trunk-mounted 6-disc CD changer. Automatic speed-dependent volume adjustment. Integrated cellular telephone. Automatic electric AM/FM/cellular antenna.

OPTIONAL EQUIPMENT

Value-Added Option Package E1:

Traction control, heated front seats, and headlamp washing system with wipers.²

Individually Available Options:

Leather upholstery (E 300 Diesel). Headlamp washing system with wipers (E 300 Diesel and E 320).² Multicontour driver and/or front passenger seats. Rear-seat reading lamps. Electric rear-window sunshade.

¹ Prices do not include \$475 transportation charge. Prices do not include state or local taxes, if any. Prices are for registration year vehicles in inventory as of March 1, 1995, and include Suggested Dealer Pre-delivery Service. Prices are subject to change without notice. Confirm current prices with dealer. A federal luxury excise tax at the rate of 10% will apply to the retail transaction price in excess of \$32,000. The luxury tax should be added to the amount shown to calculate total price.

WHEN AN AUTOMOBILE IS CONSISTENTLY
SOUGHT OUT BY DRIVERS WHO VALUE
INNOVATION, PERFORMANCE, DURABILITY
AND SAFETY, IT BECOMES A BENCHMARK
FOR THE ENTIRE AUTOMOTIVE INDUSTRY.

THE E-CLASS SPECIAL EDITION SEDANS

ARE A UNIQUE EXPRESSION OF ALL THAT
THE E-CLASS HAS COME TO REPRESENT.

GENEROUSLY EQUIPPED WITH AMENITIES,
THE SPECIAL EDITION SEDANS ESTABLISH A
NEW BENCHMARK FOR LUXURY-CAR VALUE.
