**Seller's description**

Here I sell a set of super rare BBS RSII Concave 18x8.5 et 22 and 18x10 et 25 with 5x120 bolt pattern. They are kept in the original factory finish and are in mint condition. These rarely go out on the

market and will make an automatic distinct look to your ride as they are, or you can redo the set to any imaginable color variation. Don't miss out on this rare offer, it's almost car show season and these will get you attention. You would only need to purchase is another set of emblems and the valve extention.

Please no low ballers. You and I know the rarity of these coming out in USA Ebay.

I request \$200.00 for shipping, if it's less than the cost, I will refund the difference, if it's more, I will take the loss. Thanks for bidding and don't let it get away.
