Seller's description

Mercedes-Benz 1992 Model W124 500E/E500 Sport Sedan
94500 Kilometers - 59K miles Since New
"Individual" car Special order from Germany
No accidents, No rust
Two owners since new, Books and records
Heated Seats
"RARE" On-Board Computer

Intro about this model: This is the legendary world wide proven W124 Chassis including safety, durable, reliable, stylish design and proven through the years drive train! But W124 500E/E500 is a little bit different! Back in 1984 the "Sport Sedan" era was born with BMW E28 M5! The answer on the competition Mercedes Benz made their first sport sedan build by AMG named "Hammer 6.0" back in 1988. But due to its galactic budget/cost never become popular car. In 1990 Mercedes-Benz did there second W124 but this time all new Program with Porsche collaboration helped to develop the super sedan. They re-design the chassis including wide body flaring all 4 fenders, brakes are upgrade with bigger rotors and 4 pistons calipers, reinforced chassis, stiffer suspension including springs and bilstein sport shocks, improved interior quality and seats. The engine on this car is the Legendary M119 Dohc V8 326hp with single Vanos on the intake. The result is 0-62mph for only 6.0 sec.

Exterior: Dimond Schartz MB paint is absolutely in show condition, the paint has deep clear coat and shines like brand new. There are no parking dents, scratches or any tip of damages, or any in perfections. Bumpers are free of scratches and the chrome moldings are in perfect condition. Head lights are chips free as well the rear tail lenses, Doors open and close perfect, Sunroof operates both ways as it should, Front windshield is cracks and chip free, Bumper fog lights are brand new with new bulb all rubbers are new in excellent condition, Turn signals are scratch free. Wheels are the legendary

AMG wheel "Monolock II" matching the year era model. Wheel condition is absolute curb rash free and damage free and the polished lip with Silver paint center combination is matching the exterior.

Interior: The Mercedes Black Genuine Leather is in perfect condition. (Note: I have noticed this leather is a lot thicker and buffed than the regular W124 E-Class -- remember its MB top model and everything comes top quality). Dash board is cracks free, the center console wood is in very good condition as well the rest. AC blows cold and working perfect. The very special onboard computer that is located in the cluster is in perfect working order, also the push button commander that controls the onboard computer is working as it should. (Note: this option was never available for USA models 500E) The automatic rear sunshade is closing up and down with no issues.

Mechanical: The Legendary, successful and famous engine (MB-Code M119) used for over 10 years in different models is working absolutely with no issues. All the power is there as you would expect from 5.0 V8. There are no expenses spared in order to keep this engine healthy. All the hoses are new, Thermostat, Water Radiator, spark plugs, ignition wires, valve cover gaskets. Also the rear "Self Leveling Suspension" is in perfect working order with new oil New rear suspension control arms stay, control arms strut, trust arms, subframe . New fan clutch. New Wire harness upper and lower. Mercedes Benz Coolant. Rear linkages. New distributor cap and rotors, New power steering pump, New Crankshaft seal front and rear.

Upgrades: Few tasteful upgrades are made: New Adjustable Koni Yellow sport Shocks, H@R Springs, All 4 Hi-performance double drilled and slotted rotors with high performance brake pads. Transmission is reprogrammed to start every time off the line from first gear and it operates very sensitive and down shifts without lock moment the result is impressive, Rear Differential is Limited Slip 2.47-LSD. Exhsaust is all custom from the headers to the brand new Remus muffler the sound is awesome !!! The wheel/tires size are: Front 19x8.5 Rear 19x9.5. Tires are Brand new and less than 1k miles size Front 245/35.19 Rear 275/30.19. The car is professional upgraded to 94 year model face lift the performance is made at the "Classic Car Center" body shop.

Car History: The original owner was classic car collector and ordered this car directly from Germany with a very special on board computer. All the DOT/EPA is done back in 1992 when imported

About the sale: This is private sale! That means, Title/Pink slip is on hand and there are no sales tax involved what so ever!

Shipping: I ship cars all over the world and I use solid shipping company that I have been using for more than 6 years and I can ship National wide and World wide, including full insurance. Contact me for a quote in your area code or specific place.

About me: I have 100% positive feedback on my eBay account and have a distinguished reputation from all my buyers. I am open for questions even after the car has been purchased and I'm always open to give my professional and personal advice. To learn more about me and my hobby restoring classic Mercedes and BMW ///M-cars please visit this hear- (EuroClassicMotors) and you will find very good characteristic cars ! -:-)

I am open for your Best Offer and serious buyers will be appreciated! The W124 500E/E500's will never go down in value, only increase.

If you have specific questions please feel comfortable to call me direct at 503.380.2888

Listing images

Interested in buying this vehicle? Use this checklist to help you make a safe and successful purchase.

Before you buy

Read the vehicle description -- carefully!

Read the seller's description carefully and contact the seller with questions before you go to examine the vehicle. Look for "question" link at the top of the listing.

Learn how you are protected

The Vehicle Purchase Protection program helps protect your vehicle purchase against fraud. VPP is available for all eligible purchases completed on the eBay Motors site.

- **eBay provides up to \$50,000 in free Vehicle Purchase Protection for this vehicle.**
-

Read the vehicle history report

History reports are not available on vehicle made before 1981. You can order an inspection to validate the vehicle's condition. See Vehicle History Services.

Review the seller's feedback

The seller's feedback rating is a valuable tool to learn about the positives and negatives of a seller's transactional history. When you view a vehicle, look for a seller with positive feedback and take the time to read comments from other buyers to get a sense of the seller's reputation.

- **Seller's feedback:** www.euro-classic-motors-com (111 ★)
-

Contact the seller

It is important to contact the seller and have your questions answered to your satisfaction before you make an offer or bid on the vehicle. Look for the "Ask seller a question" link at the top of the listing.

How to buy

Find out what the vehicle is worth

Before you make an offer, find out what this vehicle is worth.

Get information on title transfer, registration, and taxes

Contact the seller about the status of the vehicle's title, and visit your state's Department of Motor Vehicles (DMV) Web site for information on the processes and potential costs associated with title transfer, registration, and taxes.

Calculate monthly payments

If you're interested in a loan, you can calculate monthly payments and get current interest rates in Financing. Be sure you can afford the payments in full or have allowed enough time to secure financing before you make an offer.

Estimate shipping or transportation costs

If the seller isn't local, review how much it will cost to ship or pick up (by flying or driving) the vehicle in Shipping and Handling.

Make an offer or purchase

You are ready to purchase this vehicle. Learn more in Buying on eBay Motors.

What to do when you win

Send a deposit

It is common practice for vehicle sellers to require a deposit within 72 hours after the end of a successful listing. The listing page provides deposit information and instructions. If this information is not available, contact the seller directly.

- **This seller requires a US \$500.00 deposit within 48 hours of auction close.**
-

Pay the final amount

Instructions on how to pay for the vehicle will be provided in the listing, or you can contact the seller directly. For your protection, use the payment method specified in the listing.

instant cash wire transfers such as Western Union & MoneyGram.

Arrange pick up or shipping

It is standard practice on eBay Motors for the buyer to make the arrangements and pay the costs associated with picking (driving) or Shipping the vehicle.

Transfer title and pay taxes

You're almost done! The last step is to complete the title paperwork and pay any required taxes on the vehicle. This information and vehicle type so contact your local Department of Motor Vehicles (DMV) office for more information.

If you have additional questions, please visit [Buyer Services](#) or the [eBay Motors Help section](#).

This page is formatted for printing and does not include all the information contained in the listing. You must select all options to information in the listing including the listing summary, seller's description, and images.
