Comments

This is a bitter sale, due to my personal situation I have to part with this beauty. Recently facelifted to E500 (hood, trunk, Bosch headlights), new fog lights, new 19 inch Carlsson wheels and tires 245 front 275 rear (200 miles). FULL service (oil, transmission, rear diff). New radiator, air filters, accumulators for rear SLS. CLK side mirrors and pedals, first gear start and cooling upgrade. New free flow exhaust system (great sound!). Sony ES sound system with bluetooth hands free kit, you can also listen to iPod music via Bluetooth. New custom floor mats. I have 90% of service records since new. Interior is 9 out of 10 (tiny wear on leather side bolster of driver's seat). Car had minor accident about three years ago to rear fender that was professionally repaired. Everything works on the car like 16 years ago when it was new.
