I have one of the few original owner 1995 E500's and it breaks my heart that I have to sell it. However, I am moving out of the country and I am forced to sell it.

It has 87k miles, but still runs great. I reduced the price from the blue book value as the brake booster needs some work. Anyway, the reduced price should more than cover the cost of getting it back to top shape. It is a great car to drive and I will miss it. Clean FL title in Hand
