Description

1988 Mercedes 300 CE AMG Hammer 6.0 liter twin cam, this is the last of my three AMG hammers that I have, it is in excellent condition and has 25000 miles on it.

Purchased from Joe Galdi in 1996 with 17000 miles this car has never been in any accidents the paint is all original with the acceptance of the front spoiler, This car was featured in the book AMG gold portfolio written by Brook land books on page 59-64 I have a copy and can fax it to you.

Anthracite exterior with complete AMG body kit and ordered with a custom molded rear deck spoiler, European headlights, chrome 17" mono blocs, no dents scratches always stored inside and driven sparingly.

Interior is gray leather and the car has Recaro classic seats full power with heat and lumbar covered in factory Mercedes leather, AMG thick grip gray steering wheel, upgraded sound system the interior is excellent.

AMG 6.0 liter twin cam motor just serviced runs excellent only 25k sold new for \$185,000. I recently has my Wagon and four door on ebay and got no where so this is the last one I am advertising, if I don't sell it Iam putting back into storage and will wait till the economy gets better.
