YOU CAN CALL RENNTECH and ask them about this car, they still remember this particular car.

This car is a true sleeper, no one will know what you have under the hood until its too late for them.

Lots of goodies on this car, rare differential that Renntech installed.

Thanks for looking.

Willing to trade up or down= for a 4 door automatic car, make me an offer.

The right offer can take this car, ready for it to go!!! H
