You are viewing a Rare 1997 Mercedes-Benz E60 RENNTech. With only 45,380 miles, this 408HP 6.0L V8 will get you there fast, while the rest of the vehicle keeps you in luxury on your journey. This vehicle is garage stored, rust free, and has a great service history. RENNTech lowered the suspension for better handling, while still maintaining the Mercedes luxury ride. They also upgraded the brakes for supreme stopping power. The 18" Magnesium rims match nicely with the chrome trim on this sleek, jet-black exterior. Inside, the beige leather interior cradles you in comfort. I can go on about all the things that make this car wonderful, but words cannot do it justice.
