2000 Mercedes E55 AMG. Renntech R2 Performance Package. Silver/Silver and Black interior. 75,000 original miles 465HP. The car had a Renntech R2 Package installed at Renntech's Florida facility in 2014. The cost of the Renntech R2 package was \$20,000, They went through the entire car front to back during the install. The car has been upgraded and serviced with an open checkbook. A total of \$35,000 has been put into this car in the past 24 months. Anything that needed to be repaired or upgraded has been done. I have a complete list and all receipts. Car is in excellent original condition. No Paintwork, accidents or smoke. Car has been stored in a climate controlled garage. Previous owner purchased this E55 in 2014 had over 53K invested into this car. Car runs and drives better then new and needs nothing. Amazing car for the money !
