#### Detailed Vehicle History Definitions:

- **Odometer Rollback**

If a more recent odometer reading is less than an older reading, then the odometer may have been "rolled back." This is an indicator of mileage fraud.

- **New Owner Reported**

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles. CARFAX identifies this event and labels the title record as "New Owner Reported".
