	Technical revisions	A	1
91-600	Description of operation of airbag with belt tensioner	B	1
	A. General	B	1
	B. Driver airbag unit	B	2
	C. Front passenger airbag unit	E	2
	D. Belt tensioner unit	L	2
	E. Control unit	O	2
	F. Reserve power source (up to 09/87)	N	3
	G. Warning lamp	N	3
	H. Voltage transformer (up to 09/87)	P	3
	I. Energy-absorbing panels under dashboard (USA only)	A	4
91-610	Safety regulations for airbags and belt tensioners	B	4
	A. General	B	4
	B. Despatch of airbag and belt tensioner units	B	4
	C. Storage of airbag and belt tensioner units	D	4
	D. Assembly and disassembly of airbag and belt tensioner units	E	4
	E. Scrapping of airbag and belt tensioner units	H	4
	F. Disposal of mercury-containing control units	K	5
	G. Important instructions to be observed during repair work and following accidents	N	5
91-622	Removing and installing control unit for airbag and belt tensioner	B	6
	A. Up to 09/87	B	6
	B. As of 09/87	N	6
91-625	Regulations for renewing seat belts	E	7
	A. In the event of mechanical damage	E	7
	B. Following accidents	G	7
91-635	Removing and installing seat belt with belt tensioner	H	7
	A. Sedan	L	7
	B. Coupé	P	7
91-638	Removing and installing belt buckle	E	8
91-640	Removing and installing reserve power source for airbag and belt tensioner (up to 09/87)	G	8
91-650	Removing and installing voltage transformer for airbag and belt tensioner (up to 09/87)	N	8
91-660	Removing and installing airbag unit on steering wheel	D	9
91-680	Removing and installing passenger airbag unit	A	10
91-700	Test program for airbag and belt tensioner (09/87) and airbag 1/3	G	10

91-710	Test program for airbag and belt tensioner (as of 09/87)	K 12
	A. General	K 12
	B. Trouble diagnosis using pulse meter	L 12
	C. Test program with socket box and multimeter	B 13
	D. Wiring diagrams	B 14
	E. Arrangement of components	H 14
	F. Arrangement of plug connections	K 14
91-750	Test program for belt tensioner (without airbag)	A 15
	A. Mechanical operational reliability	B 15
	B. Electrical operational reliability	E 15
	Programmed repairs	A 18
	Revisions	L 18
