## 80 Central locking system

---

	Technical modifications .....	A 1
80-010	Function description .....	D 1
	A. General .....	D 1
	B. Operation .....	K 1
	C. Function .....	O 1
	D. Components .....	B 2
80-090	Testing operation of central locking system .....	D 3
	1st version except (D) as of 03/94 and vehicles with code 885 .....	D 3
	2nd version for (D) only as of 03/94 and vehicles with code 885 .....	F 3
80-104	Testing electrical operation of central locking system .....	G 3
	1st version except (D) as of 03/94 and vehicles with code 885 .....	G 3
	2nd version for (D) only as of 03/94 and vehicles with code 885 .....	O 3
80-108	Testing pneumatic operation of supply pump .....	A 4
	1st version except (D) as of 03/94 and vehicles with code 885 .....	A 4
	2nd version for (D) only as of 03/94 and vehicles with code 885 .....	F 4
80-112	Checking electrical function of actuator (except vehicles for (D) as of 03/94 and vehicles with code 885) .....	G 4
80-116	Testing pneumatic operation of actuator .....	L 4
80-120	Checking central locking system for leaks .....	B 5
	A. Sedan up to approx. 08/90 .....	B 5
	B. Station wagon 1st version up to approx. 01/86 .....	H 5
	C. Station wagon 2nd version as of approx. 02/86 up to approx. 08/90 .....	O 5
	D. Coupé up to approx. 08/90 .....	E 6
	E. Sedan, station wagon, coupé as of approx. 09/90, Cabriolet as of start of production .....	L 6
	a) Checking complete system for leaks .....	O 6
	b) Checking distributor plug for leaks .....	A 7
	c) Checking lines with actuators for leaks .....	B 7
	F. Vehicles for (D) as of 03/94 and vehicles with code 885 .....	F 7
80-125	Checking pneumatic line for leaks .....	G 7
80-215	Removing and installing actuator (S47, S48, S49) .....	K 7
	A. Front doors .....	K 7
	a) Sedan and station wagon up to vehicle ident. end no. A 391255/F 025885 .....	K 7
	b) Sedan and station wagon as of vehicle ident. end no. A 391256/F 025886 .....	L 7
	c) Coupé and cabriolet .....	N 7
	B. Tailgate .....	O 7
	C. Trunk lid .....	A 8
	a) Sedan .....	A 8
	b) Coupé and cabriolet .....	B 8

80-220	Removing and installing rear door actuator .....	E	8
80-230	Removing and installing fuel filler flap actuator .....	G	8
	A. Sedan up to approx. 04/87 .....	G	8
	B. Sedan as of approx. 05/87 and coupé up to approx. 08/90 .....	H	8
	C. Sedan and coupé as of approx. 09/90, cabriolet as of start of production ..	K	8
	D. Station wagon up to approx. 08/90 .....	L	8
	E. Station wagon as of approx. 09/90 .....	N	8
80-270	Removing and installing supply pump (M14/1) .....	A	9
	A. Sedan, coupé and cabriolet .....	A	9
	B. Station wagon .....	D	9
80-400	Function description of infrared remote control .....	G	9
	A. General .....	G	9
	B. Operation .....	H	9
	C. Function .....	B	10
	D. Components .....	D	10
80-420	Checking and replacing batteries for infrared transmitter key and synchronizing and desynchronizing transmitter signal .....	H	10
80-422	Removing and installing folding key on infrared transmitter key .....	A	11
80-430	Removing and installing driver door infrared remote control (IFZ) receiver unit (A26/1) .....	B	11
	A. Sedan, station wagon .....	B	11
	B. Coupé, cabriolet .....	D	11
80-435	Removing and installing trunk lid infrared remote control receiver unit (A26/3) ..	E	11
	A. Sedan, coupé and cabriolet .....	E	11
	B. Station wagon .....	G	11
80-440	Removing and installing infrared remote control unit (IFZ) (N54) .....	H	11
80-455	Removing and installing RCL control module (N54) and IR DAS control module (N54/1) .....	K	11
80-800	Electric wiring diagrams .....	N	11
	A. Sedan up to approx. 04/85 .....	N	11
	B. Sedan as of approx. 05/85 up to approx. 03/86 .....	O	11
	C. Sedan as of approx. 04/86 .....	A	12
	D. Station wagon .....	B	12
	E. Coupé and cabriolet .....	D	12

80-900	Function diagrams	E 12
A.	LHD sedan	E 12
	1st version up to approx. 08/90	E 12
	2nd version as of up to	
	1A 861403 1A 866954	
	1F 097724 1F 098305	
	and across the range as of approx. 09/90	G 12
	3rd version for (D) only as of 03/94 and vehicles with code 885	H 12
B.	RHD sedan	K 12
	1st version up to approx. 08/90	K 12
	2nd version as of approx. 09/90	L 12
	3rd version for (D) only as of 03/94 and vehicles with code 885	N 12
C.	LHD T-models	O 12
	1st version up to approx. 01/86	O 12
	2nd version from approx. 02/86 to approx. 08/90	A 13
	3rd version as of approx. 09/90	B 13
	4th version for (D) only as of 03/94 and vehicles with code 885	D 13
D.	RHD T-models	E 13
	1st version up to approx. 08/90	E 13
	2nd version as of approx. 09/90	G 13
	3rd version for (D) only as of 03/94 and vehicles with code 885	H 13
E.	LHD coupes	K 13
	1st version up to approx. 08/90	K 13
	2nd version as of approx. 09/90, cabriolet as of start of production	L 13
	3rd version for (D) only as of 03/94 and vehicles with code 885	N 13
F.	RHD coupes	O 13
	1st version up to approx. 08/90	O 13
	2nd version as of approx. 09/90, cabriolet as of start of production	A 14
	3rd version for (D) only as of 03/94 and vehicles with code 885	B 14
