INTERIOR COLORS:

all panels are covered with original or optically corresponding artificial leather. See the price list for standard color. Special colors and genuine leather cover also available on request at an extra charge. Interior colors are a wide range of colors to select from the individual vehicle types and it is subject to a continuous change. Therefore, please enquire for special colors and genuine leather lining. **Please advise the exact color name (please number).** Upon request our color samples can be made available to you.

RAW PANELS - WITHOUT SPEAKERS:

speakers, crossover circuits or other accessories are not included and are not part of the supply.

Important:

The speaker location of the panels is always adapted exactly to the respective vehicle door. To avoid fitting problems the outer dimensions and installation depth of the speakers to be used **must absolutely be compared with the given maximum dimensions - see CA 1 - 8:**
