

This film replaces the film 07 102 2036 03

The service information bulletins and internal updating service up to October 1995 have been incorporated.

The operation descriptions and operation numbers have been matched to the "operation texts and work units" or "standard texts and flat rates", respectively.

Always refer to the microfiche "operation texts and work units" or "standard texts and flat rates" for the operation numbers for the repair order.

A list of revisions and additions is given below in brief.
